The Honorable Richard F. Cortez, Chairman of the Board
The Honorable David L. Fuentes, Board Member
The Honorable Eduardo "Eddie" Cantu, Board Member
The Honorable Everardo "Ever" Villarreal, Board Member
The Honorable Ellie Torres, Board Member

Dear Board of Directors:

The Hidalgo County Drainage District No.1 (District) Annual Comprehensive Financial Report for the year ended December 31, 2022, is submitted herewith.

Hidalgo County Drainage District No. 1 was created on April 9, 1908 by Order of the Commissioners' Court of Hidalgo County, Texas, pursuant to an election held within the territory affected on March 24, 1908. Originally organized under provisions of Article III, Section 52 of the Constitution of Texas, the District was later converted to a Conservation and Reclamation District under the provisions of Article XVI, Section 59 of the Texas Constitution. Since its creation, the Board of Directors has been made up of the County Judge and four County Commissioners.

Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the District. We believe the data, as presented, is accurate in all material aspects; that it is presented in a manner designed to fairly set forth the financial position and results of operations of the District as measured by the financial activity of its various funds; and that all disclosures necessary to enable the reader to obtain the maximum understanding of the District's financial affairs have been included.

In 2002, the District initiated the implementation of Governmental Accounting Standards Board Statement Number 34 (GASB 34), *Basic Financial Statements – And Management's Discussion and Analysis – For State and Local Governments*. GASB Statement 34, labeled by GASB as "the most significant change in the history of government financial reporting," amends the financial reporting model to include supplementary information about an entity and fiscal health including the status of public infrastructure. This report for 2022 was prepared in accordance with this statement and is presented in the following three sections:

- The Introductory Section, which includes this Transmittal Letter.
- The Financial Section, which includes the Independent Auditors' Report, Management's Discussion and Analysis (MD&A), the basic statements, and combining statements and schedules.
- Supplementary information, as required by Texas Commission on Environmental Quality (TCEQ), and statistical information that is generally presented on a multi-year basis.

Burton, McCumber & Longoria, LLP, an independent certified public accounting firm, has audited the District's financial statements. The goal of the independent audit was to provide reasonable assurance that the financial statements of the District for the year ended December 31, 2022, are free of material misstatement. The independent audit involved examining on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation.

Based on the independent audit performed by our external auditors, they concluded that there was a reasonable basis for rendering an unmodified opinion that the District's financial statements for year ended December 31, 2022 are fairly presented in conformity with accounting principles generally accepted in the United States of America. The Independent Auditors' Report is presented as the first component of the Financial Section of this report.

Generally accepted accounting principles require that management provide a narrative overview and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction therewith. The District's MD&A can be found immediately following the report of the independent auditors.

The five members of the Board of Directors for the District are the same members as the Hidalgo County Commissioners Court. One member is the county judge who is elected to a four-year term. The other four members are county commissioners, each elected from a road and bridge precinct to a four-year term.

Among its duties and responsibilities, the five-member board has exclusive authority over a wide range of areas in the operation of the District. These duties and responsibilities include the approval of the District's operating budget and budgetary amendments, setting ad valorem property tax rates, auditing, and directing settlement of all claims against the District. The board also determines when propositions to issue bonds will be submitted to the voters.

Internal Controls

Management of the District is responsible for the establishment and maintenance of internal accounting controls that have been designed to ensure assets are safeguarded and financial transactions are properly recorded and adequately documented. Such internal controls require estimates and judgments from management that, in attaining reasonable assurance as to the adequacy of such controls, the cost does not exceed the benefit obtained.

Budget Process and Fiscal Policy

Texas Water Code Chapter 49 Section 49.057 establishes that the board shall adopt an annual budget. After appraised values are received from the Appraisal District and the Tax Assessor provides benchmark calculations the tax rate for the tax levy is proposed and presented to the Board of Directors. The Board of Directors consistently emphasize and maintain at least fifty percent of the unassigned fund balance levels of the District's main operating fund – General fund, to meet obligations of payroll and operating costs, thus assisting in maintaining financial stability for retaining or enhancing the District's bond ratings. The District also strives to maintain significant amounts to fund the repairs of structures in the event of excessive rainfalls, hurricanes or disasters that may occur during the year.

Cash Management

The District invests its funds in investments authorized by Texas laws in accordance with investment policies approved by the Board of Directors. Under Texas Law, the District is required to invest its funds to primarily emphasize safety of principal and liquidity. The actual interest income in 2022 totaled \$2,694,371 an increase of \$1,912,758 from the prior year total of \$396,990. Interest income has increased due to the Federal Reserve's 7 interest rate hikes in attempts to curb high inflation.

Capital Assets

These financial statements include the capital assets of the District. Accounting for capital assets is discussed in the MD&A that is part of the basic financial statements. More detailed information about the capital assets can be found in the notes to the financial statements.

Risk Management and Insurance

The District provides for a risk manager, who is primarily responsible for identifying and assessing the District's exposure to all types of risk and recommending the safest and most cost-effective methods to eliminate or reduce the identified risks. The District, through its risk management policies, assumes substantially all risks associated with general tort claims that parties may file against the District and liability claims against the District due to conditions of property or equipment. Additional information on the District's risk management activity can be found in the notes to the financial statements.

Economic Conditions and Outlook

Hidalgo County, in which the District operates, is an attractive place to live and do business. With an estimated population of 888,367 people, Hidalgo County is the 9th most populated out of 254 Texas counties. Population since the 2010 Census has grown by 14.7% according to the U.S. Census. Also, the traditional agricultural and international based economy has increasingly diversified with education, health services, and government sector employment. Ecotourism has seen a recent growth in Hidalgo County attracting new travelers to this area for birding due to the prime location of the county along the transcontinental migratory flight paths. Also seeing a growth is the healthcare field, with the commitment of the University of Texas Rio Grande Valley's Medical School and Texas A&M campus in North McAllen. This will help in further diversifying in adding highly skilled employment to the trade centered economy in Hidalgo County.

The McAllen-Edinburg-Mission metropolitan area is the 65th fastest growing region in the nation from 2015 to 2020 according to Inspection Support Network. McAllen, which is the largest city in the County, has a current population of 145,643 according to U.S. Census. Edinburg has an estimated population of 104,294 and is considered the educational and technological capital of the Texas-Mexico border region. The unemployment rate as of December 2022 was 6.2% a decrease of 26% over 2021 primarily attributed to the rebounding from the COVID-19 Global Pandemic.

Hidalgo County provides factors which are considered to be an excellent quality of life, high-tech medical facilities, comprehensive financial services community, a demonstrated logistics advantage necessary to reach existing and new markets, and bicultural/bilingual population. According to the Census Bureau, the median household income for this area in 2022 is \$44,666.

Current Developments and Programs

On November 6, 2018, Hidalgo County voters passed a \$190 Million bond referendum to improve the District's drainage system. There were 37 individual projects identified to alleviate flooding issues throughout the District. As of December 31, 2022, all of the \$190 Million 2018 bond referendum have been sold. Four projects have been completed, fourteen projects are under construction, and one project is at the bidding phase. Notable drainage projects that will be addressed with this bond referendum include:

Raymondville Main Drain Project

The Raymondville Drain Project currently exists as an authorized federal project with the US Army Corps of Engineers-Galveston District (USACE) as the Project for Flood Control, Lower Rio Grande Basin, Texas under Title IV, Section 401 of WRDA 1986, as amended by the Water Resources Development Act (WRDA) 2007. Major flooding problems exist in the areas drained by the Raymondville Drain because of significant urban growth that has occurred in recent years. The project will implement flood control improvements along an approximate 60-mile long channel alignment, including 12 miles of new ditch, major detention ponds, in-line detention, retention, hydraulic control structures, bridges, culverts and utility crossings. The District is the lead sponsor for the project working in partnership with the US Army Corps of Engineers. The District has a current agreement with the USACE, invoking provisions of general WRDS Section 211, whereby the District has taken over the USACE's portion of the project, anticipating reimbursement at the time of construction for the federal cost share of the project. Concurrently, the District is also pursuing congressional designation for the project to be a demonstration project under Section 211 (f), to ensure that reimbursement of the federal cost share could occur intermittently, as the planning documents-studies progress prior to construction. The project was ranked as the No. 1 project for the Lower Rio Grande Valley Regional Drainage Plan. It is anticipated that the project will get environmental clearance in 2024; portions of construction commenced in 2018 as well as parcel acquisition on various segments.

Delta Regional Reservoir

Once the project is complete, it will provide over 200 acres of off-line detention ponds in the North East quadrant of the District near the City of Mercedes, Texas. This will mitigate flooding up and downstream of the Main Floodwater Channel Drain.

Mission/Palmview Lateral

This project will widen and enhance the linear detention and functionality of the District's Mission Lateral Ditch while also adding culvert crossing and detention facilities.

Mile 10 N & Mile 1 W, Mile 11 N & FM 1015, and Mile 11 N & Texas Boulevard Projects

These projects in the District's Precinct 1 area will add four new regional detention ponds and new storm drainage systems along several neighborhoods that were severely impacted with the 500-year rain events that occurred in 2018 and 2019.

South Lateral Drain and Las Milpas

These projects will add detention facilities at the upstream end connecting to the Main Floodway as well as widening the channel to improve drain flow. Also, the Las Milpas project will improve the culvert and widening of drain ditches leading up to the outfall points at the South Lateral Drain.

Status of projects can also be found in the District's website www.hcdd1.org.

Award and Acknowledgements

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Hidalgo County Drainage District No. 1 for its Annual Comprehensive Financial Report (ACFR) for the fiscal year ended December 31, 2021. This was the fifth year that the District has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Annual Comprehensive Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current Annual Comprehensive Financial Report continues to meet the Certificate of Achievement Program requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

The preparation of this report would not have been possible without the professional services provided by our independent auditors, Burton McCumber & Longoria, LLP. I would like to express our appreciation to the District's accounting staff and the various departments of Hidalgo County who assisted and contributed to the preparation of this report. I wish to express my thanks to the Board of Directors for their unfailing support for maintaining the highest standards of professionalism in managing the District's financial affairs.

Sincerely,
Hidalgo County Drainage District No. 1

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Hidalgo County Drainage District No. 1
Edinburg, Texas

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Hidalgo County Drainage District No. 1 (the District) as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the District, as of December 31, 2022, and the respective changes in financial position and the budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and OPEB liability and pension information on pages 18-24 and 65-68 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying combining and individual nonmajor fund financial statements, budgetary comparison schedules, Texas Supplementary Information (TSI) as required by Texas Commission for Environmental Quality (TCEQ) and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements, budgetary comparison schedules, Texas Supplementary Information (TSI) as required by Texas Commission for Environmental Quality (TCEQ) and schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory section, and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 21, 2023, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)

**Hidalgo County Drainage District No. 1
(A Component Unit of Hidalgo County, Texas)
Management's Discussion and Analysis
December 31, 2022**

Management's Discussion and Analysis (MD&A) of Hidalgo County Drainage District No. 1 (the District), Edinburg, Texas is intended to provide an overview of the District's financial position and results of operations for the fiscal year ended December 31, 2022. Please read it in conjunction with the letter of transmittal on page 3 and the District's financial statements, which begin on page 26.

FINANCIAL HIGHLIGHTS

General Fund

- At fiscal year-end, the unassigned fund balance in the general fund totaled \$22,081,634 which represents a \$3,604,884 increase from fiscal year 2021 primarily due to an increase of tax collections revenue and higher interest revenue.
- The collection of the 2021 tax levy for general fund increased to \$22,522,665, an increase of 10.0 percent primarily due to increase in overall property value assessment. The general fund revenues increased by \$2,172,928 to \$24,990,507, an increase of 9.5 percent over fiscal year 2021. The increase in revenues is mainly attributed to tax collection revenue that resulted from a higher tax levy as well as higher interest revenue.
- General fund expenditures increased by \$66,053 to \$20,596,351, an increase of 0.3 percent over fiscal year 2021.

Government-Wide

- The District's governmental activities reported expenses of \$30,325,523 net of program revenues totaling \$6,172,243. General revenues totaled \$56,140,935 resulting in an increase in net position of \$31,987,655.
- At fiscal year-end, the District's governmental activities reported combined total net position of \$187,114,542.
- A significant portion of net position is invested in capital assets or is restricted for specific purposes.

USING THIS ANNUAL REPORT

The following illustration is provided to facilitate the understanding of the GASB 34 reporting format and its components:

OVERVIEW OF THE FINANCIAL STATEMENTS

The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

- The Statement of Net Position and the Statement of Activities are government-wide financial statements that provide information about the activities of the District as a whole and present a long-term view of the District's finances.
- Fund financial statements provide information as to how services are financed in the short-term, as well as what remains for future spending. Fund financial statements also report the District's operations in more detail than the government-wide statements by providing information about the District's most significant funds or "major" funds rather than fund types.
- The accompanying notes provide essential information about certain accounts disclosed on the face of the financial statements. Consequently, the notes form an integral part of the basic financial statements.

The following summarizes the major features of the District's financial statements:

	Government-Wide	Governmental Funds
Scope	Entire District government	The activities of the District
Required financial statements	◆ Statement of Net Position	◆ Balance Sheet
	◆ Statement of Activities	◆ Statement of Revenues, Expenditures and Changes in Fund Balances
Accounting basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus
Type of asset/liability information	All assets and liabilities, both financial and capital, short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets included
Type of inflow/outflow information	All revenues and expenses during the year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and payment is due during the year or soon thereafter

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities report information about the District as a whole and about its activities that is helpful in determining whether the District's position has improved or deteriorated as a result of the current year activities. Both statements are prepared using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. The Statement of Net Position includes all assets, deferred outflows of resources, liabilities, both short and long-term, and deferred inflows of resources. The Statement of Activities reports all of the current year revenues and expenses regardless of when cash is received or paid.

The two government-wide statements report the District's net position and changes in them. Net position (the difference between assets, deferred outflows of resources, liabilities, and deferred inflows of resources) are one way to measure the District's financial health, or financial position. Over time, increases or decreases in the District's net position are an indicator of whether its financial health is improving or deteriorating. Other non-financial factors, however, such as changes in the District's property tax base and the condition of the District's drainage facilities, should also be considered in assessing the overall health of the District.

The Statement of Net Position and the Statement of Activities operate as governmental activities. The District's services consist primarily of drainage flood control and administration. Property taxes, interest earnings, and miscellaneous revenue finance most of these activities.

Fund Financial Statements

The fund financial statements provide a detailed short-term view of the District's operations, focusing on its most significant or "major" funds. Certain funds are required by state law and by bond covenants. Other funds are established to ensure and demonstrate compliance with finance related legal requirements and prudent fiscal management. The District has only governmental fund types.

- *Governmental funds* – all of the District's basic services are reported in governmental funds. The measurement focus and basis of accounting continues to be the modified accrual basis, which measures inflows and outflows of current financial resources and the balances left at year-end that are available for spending. The District's major governmental funds are the General Fund, 2019 Bond Series Capital Projects Fund, 2021 Bond Series Capital Project Funds, 2021 A Taxable Bond Series Capital Projects Fund, 2016 Refunding Bonds Debt Service Fund, and the 2021 A Taxable Bond Series Debt Service Fund. The reconciliations of the fund financial statements to the government-wide statements explain the differences between the governmental fund statements and the government-wide statements.

Statement of Net Position (Government-Wide)

The following comparative analysis table summarizes the District's net position as of December 31,:

Assets:	2022	2021
Current and other assets	\$ 244,326,364	\$ 256,944,867
Capital assets, net	246,541,943	218,227,478
Total assets	490,868,307	475,172,345
Deferred Outflows of Resources:		
Deferred charges on refunding	766,722	1,599,616
Deferred resources for pension	2,079,281	2,142,386
Deferred resources for OPEB	722,255	564,696
Total deferred outflows of resources	3,568,258	4,306,698
Liabilities:		
Long-term liabilities	256,334,835	282,746,684
Other liabilities	12,502,376	10,136,358
Total liabilities	268,837,211	292,883,042
Deferred Inflows of Resources:		
Deferred resources for pension	3,106,861	995,637
Deferred resources for OPEB	1,579,151	1,089,294
Deferred revenue for property taxes	33,798,800	29,384,183
Total deferred inflows of resources	38,484,812	31,469,114
Net position:		
Net investment in capital assets	167,416,519	143,866,282
Restricted	18,058,630	18,843,898
Unrestricted	1,639,393	(7,583,293)
Total net position	\$ 187,114,542	\$ 155,126,887

At the close of the current fiscal year, \$167,416,519 represents the portion the District has invested in capital assets (i.e., land, infrastructure, buildings, machinery and equipment), net of accumulated depreciation less any outstanding debt used to construct or acquire those assets.

The District uses these capital assets to provide services to citizens; consequently, these are not available for future spending. At the end of the fiscal year, the District reported a positive balance of \$18,058,630 for the District's restricted net position that may be used to meet the ongoing obligations to citizens and creditors. The District's unrestricted net position increased to \$1,639,393 in connection with the District's governmental activities related to the debt associated with Drainage Development Projects, Control Structures, and Weir Rehabilitation as well as capital outlays.

Statement of Activities (Government-Wide)

The following table summarizes the change in the District's net position from its activities for the fiscal years ended December 31,

	2022	2021
Revenues:		
Program revenues:		
Operating grants and contributions	\$ 2,916,223	\$ 1,368,045
Capital grants and contributions	3,010,766	
Charges for services	245,254	100,692
Total program revenues	<u>6,172,243</u>	<u>1,468,737</u>
General revenues:		
Property taxes	51,139,480	48,776,231
Interest income	2,694,371	396,990
Tax penalties and interest	1,130,728	995,881
Miscellaneous	1,176,356	215,283
Total general revenues	<u>56,140,935</u>	<u>50,384,385</u>
Total revenues	<u>62,313,178</u>	<u>51,853,122</u>
Expenses:		
General government	(5,227,737)	(4,611,785)
Drainage flood control	(18,009,707)	(17,466,813)
Interest on long-term debt	(7,088,079)	(6,966,417)
Total expenses	<u>(30,325,523)</u>	<u>(29,045,015)</u>
Increase (decrease) in net position	31,987,655	22,791,422
Net Position - beginning	155,126,887	132,335,465
Net Position - ending	<u>\$ 187,114,542</u>	<u>\$ 155,126,887</u>

The District's general revenues totaled \$56,140,935. Property taxes contributed \$51,139,480, or 91.1% of total general revenues an increase of \$5,756,550 from last year primarily due to a 2.8 billion or 7.2% increase in property valuations driven by increased real estate market values. The remaining 8.9% of general revenues was derived from interest, tax penalties and other sources. The increase in interest income was due to the Federal Reserve 7 interest rate hikes throughout the year bringing rates between 4.25% and 4.5%. The total expenses for services totaled \$30,325,523 an increase of \$1,263,823 from previous year primarily due to increases of in-house construction projects, fuel prices, and higher debt service payments. Expenditures necessary for the maintenance and operations of drainage facilities accounted for 59.4% of expenses. General governmental activities and interest on long-term debt expenses accounted for 17.2% and 23.4% percent of the total expenses, respectively.

FINANCIAL ANALYSIS OF THE DISTRICT'S FUNDS

As noted earlier, the District uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. Financial information is presented separately in the Balance Sheet and the Statement of Revenues, Expenditures, and Changes in Fund Balances of Governmental Funds for the District's major funds: General Fund, 2019 Bond Series Capital Projects Fund, 2021 Bond Series Capital Projects Fund, 2021 A Taxable Bond Series Capital Projects Fund, 2016 Refunding Bonds Debt Service Fund, and the 2021 A Taxable Bond Series Debt Service Fund. Financial information for the non-major governmental funds is presented in single columns by fund type.

General Fund

The General Fund is the chief operating fund of the District. At the end of the current fiscal year, the fund balance of the General Fund totaled \$24,437,427 which represents a \$4,692,492 increase from fiscal year 2021. The increase in fund balance was attributed to a combination of an increase of tax collection revenue, and auction proceeds.

Over the course of the year, the Board revised the District's budget. These budget amendments fall into three categories. The first category includes the appropriation of the prior year's remaining balance for new projects the Board took action on during 2022. The second category includes line-item transfers within the department to cover underfunded line items. Finally, the Board approved budget amendments to certain line items (including: engineering, rentals, insurance, and other heavy equipment) to record expenditures that were necessary for maintenance and operations of the drainage systems.

The District experienced a negative variance for general government and drainage flood control between original and final budgets in the amount of \$2,095,552. Most of the variance came from the in house construction of drainage ditches that are not part of the bond funded projects.

The 2019 Bonds Series Capital Project Fund balance decreased by \$20,476,301, which was attributed to the ongoing engineering, land acquisitions, and construction costs of the 37 identified projects. The 2021 Bonds Series Capital Project Fund and 2021 A Taxable Bonds Series Capital Project Fund balances were \$33,337,921 and \$49,862,834. The 2016 Refunding Bonds Debt Service Fun, and 2021 A Taxable Bond Series Debt Service Fund increased by \$80,647 and \$450,651, which were attributed to property tax revenues exceeding debt service payments for principal and interest and higher interest rates on investment revenue.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of 2022, the District had \$246,541,943 invested in capital assets, including land and easements, infrastructure, construction in progress, buildings and renovations, and machinery and equipment. Land, easements and construction in progress are not depreciated. Additional information on the District's capital assets can be found in the notes to the financial statements (See Note F).

Capital assets at year-end (Net of depreciation)		
	2022	2021
Land and easements	\$ 38,865,055	\$ 34,346,141
Construction in progress	101,599,476	82,929,797
Infrastructure	90,663,319	85,847,063
Buildings and renovations	2,740,447	2,846,441
Machinery and equipment	12,673,646	12,258,036
Total	<u>\$ 246,541,943</u>	<u>\$ 218,227,478</u>

Outstanding Debt

At year-end, the District's outstanding long-term liabilities were as follows:

Outstanding Debt at Year-End		
	2022	2021
Bond Series 2013	45,225,000	48,835,000
Refunding Bond 2014	7,665,000	7,665,000
Refunding Bond 2016	28,965,000	34,410,000
Bond Series 2019	67,270,000	70,080,000
Bond Series 2021	28,775,000	29,570,000
Bond Series 2021 A Taxable	40,940,000	49,910,000
Bond Series 2021 Taxable FIF	22,106,000	22,869,000
Compensated Absences	400,032	400,099
	<u>\$ 241,346,032</u>	<u>\$ 263,739,099</u>

Additional debt information can be found on Note G Long-Term Liabilities beginning on page 50.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The 2023 Levy experienced almost a 5.3 billion dollar increase in the appraised valuation from prior years, due in part to the growth of the economy and the supply of available homes for sale. The District will continue maintenance and expansion of its facilities as well as new projects as Hidalgo County's population and infrastructure needs continue to grow.

The Board of Directors considered these factors when setting the budget requirements for fiscal year 2023. A balanced budget was approved with revenues and expenditures for 2023 totaling \$24,840,325 available for appropriation in the General Fund budget. The District passed a tax rate of .1179 per \$100 valuation for the 2023 budget year. The 2023 budget year includes additional employees. Other operational expenditures were evaluated and adjusted, including items that have been affected by economic trends and other items used for emergencies. Capital improvements are in the future plans of the District for the 2023 fiscal year.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the District's finances and to show the District's accountability for the money it receives and can also be found at www.hcdd1.org. Additional financial information can be requested at:

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
DECEMBER 31, 2022

EXHIBIT A-4

Total fund balance - balance sheet governmental funds \$ 175,097,269

Amounts reported for governmental activities in the statement
of net position are different because:

1. Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.

Those assets consist of:

Land and easements	38,865,055	
Construction in progress	101,599,476	
Infrastructure	90,663,319	
Buildings and renovations	2,740,447	
Machinery and equipment	<u>12,673,646</u>	246,541,943

2. Deferred outflows of resources represent a consumption of net position that applies to future periods, therefore, they are not recognized as an outflow until then. For refunding debt, the deferred charges on refundings are amortized over the shorter of the life of refunded or refunding debt.

Refunding	766,722	
Pensions	2,079,281	
OPEB	<u>722,255</u>	3,568,258

3. A portion of the District's taxes collected during the year are not available to pay for the current period's expenditures and, therefore, are reported as unavailable revenue in the funds.

23,988,854

4. Long-term liabilities applicable to the District's governmental activities are not due and payable in the current period and, accordingly, are not reported as fund liabilities. All liabilities (both current and long-term), are reported in the statement of net position.

Accrued interest	(2,793,996)	
Bond Series 2013 - outstanding balance	(45,225,000)	
Bond Series 2013 - unamortized premium	(189,530)	
Bond Series 2014 - outstanding balance	(7,665,000)	
Bond Series 2014 - unamortized premium	(281,704)	
Bond Series 2016 - outstanding balance	(28,965,000)	
Bond Series 2016 - unamortized premium	(2,013,465)	
Bond Series 2019 - outstanding balance	(67,270,000)	
Bond Series 2019 - unamortized premium	(6,432,360)

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND

BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED DECEMBER 31, 2022

Net change in fund balances - total governmental funds	\$ (19,528,916)
--	-----------------

Amounts reported for governmental activities in the statement of activities is different because:

1. Governmental funds report capital outlays as expenditures; however, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.		
Capital outlay	34,001,455	
Depreciation	<u>(5,386,366)</u>	28,615,089
2. Governmental funds typically report proceeds they receive in connection with the disposal of capital assets as other financing sources. This amount must be removed and replaced by an adjustment to the appropriate capital asset and the accumulated depreciation account. Any gain or loss should be reported as discussed above.		(300,624)
3. Certain property tax revenues reported in the funds are unavailable in the statement of activities. This is the change in these amounts this year.		
Related to prior years	(25,636,515)	
Earned but unavailable	<u>23,988,854</u>	(1,647,661)
4. Under the modified accrual basis of accounting used in governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis; expenses and liabilities are reported regardless of when financial resources are available.		
Amortization of debt premiums	2,471,028	
Amortization of deferred charge on refunding	(832,894)	
Change in accrued interest on bonds	44,375	
Change in compensated absences	67	
Change in deferred outflow of resources - pension	(63,105)	
Change in deferred inflow of resources - pension	(2,111,224)	
Net pension obligation	3,015,402	
Change in deferred outflow of resources - OPEB	(489,856)	
Change in deferred inflow of resources - OPEB	157,560	
Other post employment benefits	<u>265,414</u>	2,456,767
5. Debt proceeds are reported as financing sources in governmental funds and thus contribute to changes in fund balances. In the statement of net position, however, issuing debt increases long-term liabilities and does not affect the statement of activities. Similarly, repayment of principal is an expenditure in the governmental funds but reduces the liability in the statement of position.		
Bond payments	<u>22,393,000</u>	<u>22,393,000</u>
Change in net position of governmental activities - statement of activities		<u>\$ 31,987,655</u>

The accompanying notes are an integral part of this statement.

NOTES TO THE FINANCIAL STATEMENTS

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies

General Statement

Hidalgo County Drainage District No. 1 (the District) was created on April 9, 1908, by order of the Commissioners' Court of Hidalgo County, Texas (the County), pursuant to an election held within the territory affected. Originally organized under provisions of Article III, Section 52 of the Texas Constitution, the District was later converted into a Conservation and Reclamation district under the provisions of Article XVI, Section 59 of the Texas Constitution, and has continued to exercise all of the powers and functions of such a district. The District operates under Chapter 56 of the Texas Water Code.

Summary of Significant Accounting Policies

The accounting and reporting policies of the District, as reflected in the accompanying financial statements, conform to generally accepted accounting principles (GAAP) in the United States of America applicable to state and local governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

During 2022, the District implemented applicable GASB standards:

Statement No. 87, Leases. The objective of this statement is to meet the information needs of the financial statement users by improving accounting and financial reporting for leases by governments. GASB 87 was implemented by the District with no material impact to the financial statements.

Statement No. 91, Conduit Debt Obligations. This statement was issued to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice. GASB 91 was implemented and since the District has no conduit debt obligations and had no impact to the financial statements.

New Reporting Standards

Statement No. 89, Accounting for Interest Cost Incurred before the end of a Construction Period. The objective of this statement is to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for the interest cost incurred before the end of a construction period. This statement is effective for reporting periods beginning after June 30, 2022.

Statement No. 92, Omnibus 2020. The objective of this Statement is to correct, clarify and provide additional guidance on previously issued pronouncements. This statement is effective for reporting periods beginning after June 30, 2022.

Statement No. 93, Replacement of Inter Bank Offered Rates. The objective of this Statement is to address financial reporting implications that result from the replacement of Inter Bank Offered Rates (IBOR). The implementation of GASB 93 had no effect on the District's financial statements.

Statement No. 94, Public-Private and Public Partnerships and Availability Payment Arrangements. The objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). As used in this Statement, a PPP is an arrangement in which a government (transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset, for a period of time in an exchange or exchange-like transaction. This statement is effective for reporting periods beginning after June 30, 2023.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

New Reporting Standards – Continued

Statement No. 99, Omnibus 2022 enhances comparability in accounting and financial reporting and improves the consistency of authoritative literature in Statements No. 53, 63, 87, 94, 96, and 34. Provisions of Statement 34 as amended and Statements 53 and 63 are effective upon issuance. The requirements related to leases, PPPs, SBITAs are effective for fiscal years beginning after June 15, 2022. Changes for Statement 53 are effective for fiscal years beginning after June 15, 2023.

Statement No. 100, Accounting Changes and Error Corrections – an amendment of GASB Statement No. 62. This statement prescribes the accounting and financial reporting for each type of accounting change and error corrections. This statement is effective for accounting changes and error corrections made in fiscal years beginning after June 15, 2023.

Statement No. 101, Compensated Absences. This statement requires that liabilities for compensated absences be recognized for leave that has not been used and leave that has been used but not yet paid in cash or settled through noncash means. This statement is effective for fiscal years beginning after December 15, 2023.

Statement No. 96, Subscription-Based Information Technology Arrangements. This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users. SBITAs are contracts that give governmental entities the right to use a vendor's IT software for a specified time in exchange for payment. This statement is effective for reporting periods beginning after June 30, 2023.

Statement No. 97, Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans. This Statement is intended to (1) increase the comparability of the reporting of fiduciary component units in circumstances where a potential component unit does not have a governing board; (2) mitigate costs associated with the reporting of certain defined contribution plans other than pension plans or OPEB plans; (3) enhance the relevance, consistency, and deferred compensation plans. This statement is effective for reporting periods beginning after June 30, 2022.

Implementation Guide No. 2019-1, "Implementation Guide Update-2019". The requirements for this implementation guide will take effect for financial statements starting with the fiscal year that ends June 30, 2021.

Implementation Guide No. 2019-3, "Leases". The requirements for this implementation guide will take effect for financial statements starting with the fiscal year that ends June 30, 2022.

The impact of these statements on the District's financial statement has not been determined as of yet.

The District will evaluate these new pronouncements and will implement them as applicable by their effective dates.

The following significant accounting policies were applied in the preparation of the accompanying basic financial statements.

1. Reporting Entity

GASB Statement No. 14, "The Financial Reporting Entity," as amended by GASB No. 61, provides guidance for determining which governmental organizations should be included within the reporting entity. GASB Statement No. 61 sets forth financial accountability as the basic criterion for inclusion of a governmental unit in a governmental reporting entity. Financial accountability is defined as appointment of a voting majority of the component unit's board and either the ability to impose its will

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies - Continued

1. Reporting Entity - Continued

by the primary government or the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government.

The District is a discretely presented component unit of County of Hidalgo, Texas. The District is a legal separate entity that is governed by the five members of the County's Commissioners Court of Hidalgo County, Texas. The County does not have operational responsibility for activities and it's not obligated in any manner for the District's debt.

On June 22, 1976, the District and the Willacy County Drainage District No. 1 entered into an agreement for the use of an outfall drainage ditch to be constructed, owned, and operated by the District in Willacy County. An advisory committee composed of two members for each district determined the type of maintenance needed and to be performed. The District has no oversight responsibility over Willacy County Drainage District No. 1; therefore, the financial activity for Willacy County Drainage District No. 1 is not included in this report.

2. Basis of Presentation

Government-Wide Financial Statements consist of a Statement of Net Position and a Statement of Activities. The purpose of these statements is to present the financial position and the operating results of the District as a whole. The District's activities are categorized as "governmental activities" because it is financed primarily through property taxes, intergovernmental revenues, and other transactions. Eliminations have been made to minimize the double counting of internal activities.

The Statement of Net Position focuses on the net position of the District, where the net position equals the assets and deferred outflows less the liabilities and deferred inflows of resources.

The Statement of Activities presents a comparison between direct expenses and program revenues of the District and for each function of the District's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges for services and (b) operating grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all property taxes, are presented as general revenues.

Governmental Fund Financial Statements provide information about the District's governmental funds. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred inflows of resources, fund balance, and revenues, expenditures, and other financing services (uses) as appropriate.

The District reports the following major governmental funds:

General Fund - This fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in other funds.

2019 Bond Series Capital Projects Fund - The bonds were issued to pay (1) construction of and equipment for drainage improvement projects, (2) acquisitions of rights of way, and (3) costs of issuance of the bonds.

2021 Bond Series Capital Projects Funds - The bonds were issued to pay (1) construction of and equipment for drainage improvement projects, (2) acquisitions of rights of way, and (3) costs of issuance of the bonds.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

2. Basis of Presentation - Continued

2021 A Taxable Bond Series Capital Projects Fund - The bonds were issued to pay (1) construction of and equipment for drainage improvement projects, (2) acquisitions of rights of way, and (3) costs of issuance of the bonds

2016 Refunding Bonds Debt Service Fund - This fund is used to account for the accumulation of resources for, and the payment of, bonds long-term debt principal, interest, and related costs.

2021 A Taxable Bond Series Debt Service Fund - This fund is used to account for the accumulation of resources for, and the payment of, bonds long-term debt principal, interest, and related costs.

Additionally, the District reports the following fund types:

Special revenue funds account for specific revenue resources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects.

3. Basis of Accounting

Government-Wide Financial Statements. The government-wide financial statements are reported using the economic resources measurement focus and accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements. Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized as soon as they are both measurable and available. Revenues are considered to be measurable when the amount of the transaction can be determined and available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers collections within 60 days of the end of the current fiscal period to be revenues. Expenditures generally are recorded when a liability is incurred, similar to accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Unearned revenue arises when potential revenues do not meet both the measurable and available test for recognition in the current period and when resources are received by the District before the District is legally entitled to them. In succeeding periods when both revenue recognition criteria are met or when the District has legal claim to the resources, the liability for unearned revenue is removed and revenue is recognized.

4. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

5. Cash and Cash Equivalents and Investments

Cash and cash equivalents include cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date acquired by the District and external investment pools. Investments are stated at fair market value. It is the District's intent to hold all investments to maturity.

6. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

7. Receivables and Payables

All trade and property taxes receivable are shown net of an allowance for uncollectible accounts. Property taxes are levied October 1st and become delinquent on February 1st, at which time penalties and interest are assessed.

Activities between funds that are representative of lending/borrowing arrangements outstanding at year-end are referred to as "due to/from other funds."

8. Capital Assets

Capital assets, which include property, equipment, and infrastructure, are reported in the government-wide financial statements. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation. When no historical records are available, capital assets are valued at estimated acquisition value on the date received.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized.

Capital assets of the District are depreciated using the straight-line method over their estimated useful lives. Standard capitalization thresholds have been established for each major class of assets.

The following lists the thresholds and useful lives by class:

Asset Class	Capitalization Threshold	Useful Lives in Months
Land/land improvement	Capitalize all	N/A
Easements	Capitalize all	N/A
Infrastructure	\$100,000	420
Buildings and renovations	\$50,000	480
Machinery and equipment	\$1,000	15-180

9. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net will report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

9. Deferred Outflows/Inflows of Resources - Continued

of resources (expenses / expenditures) until then. The District has three items that qualify for reporting in this category. A deferred charge on refunding bonds results from the difference between the carrying value of refunded debt and the reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The District also has a deferred outflow of resources related to pension expense that results from the differences between expected and actual experience, changes in assumptions, and contributions made subsequent to the measurement date. The third are outflows of resources related to Other Post-Employment Benefits for the differences between the expected and actual experience, changes of assumptions or other inputs, and differences in actual benefits and proportionate share of benefits. For the year ended December 31, 2022, the District had deferred outflows of resources for refunding bond, pension, and OPEB in the amount of \$766,722, and \$2,079,281, and \$722,255, respectively.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The District has one type of item, which arises under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, *unavailable revenue*, is reported in the governmental funds balance sheet. The governmental funds report unavailable revenue from property taxes. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. A deferred inflow of resources related to pensions for the difference between the expected and actual experience on the plan and net difference between projected and actual earned is reported on the statement of net position. A deferred inflow related to OPEB is for the changes of assumptions and other inputs is also reported on the Statement of Net Position.

At December 31, 2022, the District had deferred inflow of resources related to pension, OPEB, and property taxes in the amount of \$3,106,861, \$1,579,151, and \$33,798,800 respectively.

10. Fund Balance

GASB Statement No. 54, "Fund Balance Reporting and Governmental Fund Type Definitions," provides more clearly defined fund balance categories to make the nature and extent of the constraints placed on a government's fund balances more transparent. The following classifications describe the relative strength of the spending constraints:

Non-spendable fund balance – amounts that are not in spendable form or are required to be maintained intact. As such, the prepaid items have been properly classified as non-spendable in the Governmental Funds Balance Sheet.

Restricted fund balance – amounts that can be spent only for specific purposes because of local, state, or federal laws, or externally imposed conditions by grantors or creditors. The District reports restricted fund balances for amounts restricted for debt service and capital projects.

Committed fund balance – amounts constrained to specific purposes by the District itself, using its highest level of decision-making authority (i.e. Board of Directors). To be reported as committed, amounts cannot be used for any other purposes unless the District takes the same highest level of action to remove or change the constraint. At December 31, 2022, the District did not have committed funds.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

10. Fund Balance - Continued

Assigned fund balance – amounts the District intends to use for a specific purpose. Intent can be expressed by the District or by an official body to which the Board of Directors delegates the authority. These funds represent amounts the District intends to use for the Raymondville Drain and City Of McAllen, Texas project.

Unassigned fund balance – amounts that are available for any purpose.

For purposes of fund balance classifications, expenditures are to be spent from restricted fund balance first and then unrestricted. Expenditures incurred in the unrestricted fund balances shall be reduced first from the committed fund balance, then from the assigned fund balance, and lastly, the unassigned fund balance.

11. Encumbrance Accounting

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is utilized as an extension of formal budgetary integration in governmental funds.

Although appropriations lapse at year-end for annually budgeted funds, the District honors encumbrances outstanding at year-end. Outstanding encumbrances do not constitute expenditures or liabilities since the commitments will be honored during the subsequent year. The District has active construction projects as of December 31, 2022. At year-end, the District's remaining commitments totaled \$35,853,885; therefore, this amount is encumbered. Encumbrances for the general fund, 2019 bond series capital project funds, 2021 Bond series capital project funds, 2021 A Taxable Bond series capital projects fund totaled \$2,059,771, \$23,093,977, \$5,289,312, \$920,702 respectively. Encumbrances for non-major funds totaled \$4,490,123.

12. Budgets

The District's budget is adopted after public hearings have been held. All revisions must be approved by the Board of Directors of the District. The District can't overspend the budget.

Formal budgetary integration is utilized as a management control device during the year for the General and Debt Service Funds. Budgets for the General and Debt Service Funds are adopted on a basis consistent with GAAP. Appropriations for annually budgeted funds lapse at year-end.

Appropriations at year-end for grant-funded special revenue funds and capital project funds are carried forward to subsequent years until the grant has terminated or the project is completed.

The appropriated budget is prepared by fund, function, budget, and object codes. Transfers of appropriations between budgets require the approval of the Board of Directors. The legal level of budgetary control (i.e., the level at which expenditures cannot legally exceed appropriations) is at the fund level.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note A. General Statement and Summary of Significant Accounting Policies – Continued

13. Compensated Absences

Regular full-time employees accumulate vacation leave at varying rates depending on their years of service with the District. They are as follows:

Number of Years of Service	Vacation Leave Hours Earned Per Year
0 to 5 years	96
5 to 10 years	108
Over 10 years	120

Vacation leave may be accumulated up to a maximum of 160 hours (20 days) for employees with less than 10 years of continuous service. Employees with more than 10 years but less than 15 years of continuous service may accumulate 240 hours (30 days). Employees with more than 15 years may maintain an accrued leave of 320 hours (40 days). Employees lose, without pay, unused vacation leave which exceed set limits. Regular part-time employees accumulate vacation leave of 48 hours regardless of years of service. As of December 31, 2022, the District's total liability for vested vacation leave totaled \$400,032. Vested vacation benefits are expected to be liquidated with expendable and available financial resources and are reported as an expense and a long-term liability in the government-wide statement of net position. The District estimates \$33,806 of the total compensated absences balance will be due within one year.

Each regular full-time employee earns sick leave at the rate of 12 working days per year and may accumulate a maximum sick leave balance of 45 working days. Permanent part-time employees earn 6 days per year and may accumulate a maximum of 45 working days. Outstanding sick leave balances are cancelled, without recompense, upon termination, resignation, retirement, or death. In accordance with the provisions of GASB Statement No. 16, "Accounting for Compensated Absences," no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

The accrued liability for accumulated compensated absences reported in the government-wide financial statements consists of unpaid accumulated vacation leave, compensatory time, and holiday leave balances. Budgets for vested benefits for vacation or sick leave are not legally adopted in the District's operating budget.

The accrued amount for the current year is as follows:

Vacation leave	\$	361,804
Compensatory time		35,984
Holiday leave		2,244
Total	\$	<u>400,032</u>

14. Rounding Adjustments

Throughout this report, dollar amounts are rounded, thereby creating differences between the detail and the totals.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note B. Deposits and Investments

The District's Depository Agreement requires its designated financial institution to secure by collateral valued at fair value, less the amount of the Federal Deposit Insurance Corporation (FDIC) insurance, deposits and accrued interest thereon by 105%. At December 31, 2022, the District's deposits were entirely covered by FDIC insurance pursuant to the Depository Agreement. At December 31, 2022, the carrying amount of the District's deposits totaled \$7,694,455 and was entirely covered by federal deposit insurance or secured by collateral held by the pledging financial institutions agent in the District's name.

Investments of the District are pooled for investment purposes in each of the District's fund types. Earnings on pooled investments are allocated to the funds having equity in the pool on the basis of their relative contribution to the pool.

At December 31, 2022, the District had investments in Texas Cooperative Liquid Assets Securities System Trust (Texas CLASS) local government pool. Texas Class investment pools' investments are not evidenced by securities that exist in physical or book entry form and, accordingly, do not have custodial risk. Texas Class is organized under the authority of the Interlocal Cooperation Act, Chapter 2256, of the Texas Government Code.

Texas Class was created in 1996 and is governed by a board of trustees to provide for joint investments of participant's public funds. Texas Class policy seeks to invest pooled assets in order to preserve principal, maintain the liquidity of the funds, and to maximize yield. Public Trust Advisors, LLC is the program administrator and Wells Fargo Bank Texas, N.A. is custodian. The Texas Range Investment Program ("Texas Range") was created by and for Texas Local governments. The Program provides investment options tailored to the needs of Texas cities, counties, school districts and other public investors.

The District had investments in Texas Class and Texas Range. On December 31, 2022, the District had cash and cash equivalents which totaled \$170,179,063. The District had no items classified as investments for 2022.

The District's investments are categorized into the following three levels of credit risk:

- Level 1 – Quoted prices in active markets for identical assets
- Level 2 – Observable inputs other than quoted market prices
- Level 3 – Unobservable inputs

Interest rate risk. In accordance with its investment policy, the District manages its exposure to decreases in fair value by utilizing controlled disbursement, cash flow analysis, and portfolio analysis or similar cash management techniques and limiting the weighted average maturity of its investment portfolio to one year or less.

Credit risk. The Public Funds Investment Act (Government Code Chapter 2256) limits authorized investments to obligations of, or guaranteed by, governmental entities, certificates of deposit and share certificates, repurchase agreements, securities lending program, banker's acceptances, commercial paper, mutual funds, guaranteed investment contracts, and investment pools. The District's investment policy further limits investments to obligations of, or guaranteed by, governmental entities, certificates of deposit, repurchase agreements, banker's acceptances, AAA rated mutual funds, and investment pools.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note B. Deposits and Investments - Continued

Concentration of credit risk. To limit the concentration of credit risk, the District's investment policy does not allow investment in banker's acceptances to exceed 10 percent of the District's total investments. Additionally, the District's investment policy prohibits funds held for debt service to be invested in mutual funds and prohibits the District from investing in the aggregate more than eighty percent of its monthly average fund balance, excluding funds held for debt service, in AAA rated money market mutual funds.

Custodial credit risk – deposits. In the case of deposits, this is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The District's depository agreement requires its designated depository financial institution to secure the District's uninsured deposits by 105% with securities held in the District's name at a third-party financial institution.

Custodial credit risk – investments. For an investment, this is the risk that in the event of a failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The District's investment policy reduces the District's exposure to custodial credit risk by limiting investments to securities that are backed by the full faith and credit of the State of Texas, the United States, or their respective agencies and instrumentalities. The District's investment policy strictly prohibits riskier-type investments such as commercial paper.

Note C. Taxes Receivable

A summary of the taxes receivable by fund is as follows at December 31, 2022:

General Fund	Debt Service Funds	Total
\$ 13,395,399	\$ 18,190,952	\$ 31,586,351
2,544,606	2,061,050	4,605,656
(1,385,765)	(1,007,533)	(2,393,298)
<u>\$ 14,554,240</u>	<u>\$ 19,244,469</u>	<u>\$ 33,798,709</u>

Property taxes attach as an enforceable lien on property as of January 1. The taxes are levied on or about October 1, based on the assessed value listed as of the date the enforceable lien attaches. Appraised values are established by the Hidalgo County Appraisal District, assessed at 100% of appraised value, and certified by the Appraisal Review Board. The County Tax Assessor-Collector (CTAC) bills and collects taxes for the District. The District paid CTAC \$561,637 in fees during 2022. Taxes are due from October 1 of the year in which levied until January 31 of the following year without interest or penalty. No discounts are offered.

On February 1, these taxes become delinquent, at which time penalty and interest charges are applicable. Collections on the levy for October 1, 2022, as well as the balances due on all taxes receivable related thereto, are reflected as deferred inflows of resources because they are not available to finance 2022 operations.

The 2021 tax levy, for the 2022 year, totaled \$52,011,015 based on a total taxable value of \$38,339,577,535 and a tax rate of 0.1264.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note D. Interfund Receivables and Transfers

Balances of due to/from other funds consisted of the following at December 31, 2022:

Due to General Fund from Raymondville Drain Restore Act Grant Fund	\$ 902,025
Due to General Fund from Capital Projects Fund	1,469
Due to General Fund from 2008 Bond Series Capital Projects Fund	1,864
Due to General Fund from 2013 Bond Series Capital Projects Fund	310
Due to General Fund from 2019 Bond Series Capital Projects Fund	681
Due to General Fund from 2021 Bond Series Capital Projects Fund	21,688
Due to General Fund from 2021 A Bond Series Capital Projects Fund	33,121
Due to General Fund from Debt Service Fund	2,992
Due to Non-Major Debt Service Funds from General Fund	6,518,334
Due to TWDB FIF Willacy County Grant	25,000
Due to 2016 Refunding Bonds Debt Service Fund from General Fund	3,294,643
Due to 2021 A Taxable Bond Series Debt Service Fund from General Fund	4,975,187
Due to DHS Levee Grant from Raymondville Drain Restore Act Grant	226,099
Due to DHS Levee Grant from TWDB FIF Willacy County Grant	25,000
Due to 2008 Bond Series Capital Projects Fund from DHS Levee Grant	1,254
Total due to/from other funds	<u>\$ 16,029,667</u>

These balances resulted from the time lag between the dates that (1) inter-fund goods and services are provided, or reimbursable expenditures occur, (2) transactions are recorded in the accounting system, or (3) payments between funds are made.

Transfers are used to (1) move revenues from the fund that statute or budget requires (2) move funds restricted to debt service for debt service payments, and (3) use unrestricted revenues collected in the general fund to finance various projects accounted for in other funds in accordance with budgetary authorizations. Inter-fund transfers consisted of the following for the year ended December 31, 2022:

Transfers In:		Transfers Out:	
		Non-Major Debt Service Fund	Total
General Fund	\$ 2,992	\$ 2,992	
2021A Taxable Series Debt Service Fund	359,605		359,605
Non-major Debt Service Fund	46,737		46,737
Total Inter-fund transfers	<u>\$ 409,334</u>	<u>\$ 409,334</u>

Depreciation expense totaling \$5,386,366 was charged to the drainage flood control function under governmental activities for the year ended December 31, 2022.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note G. Long-Term Liabilities

The District issues unlimited tax improvement bonds to provide for the resources for construction of capital assets. The beginning balances of the unlimited tax improvement bonds issued in 2013, 2014, 2016, 2019, 2021, 2021A and 2021 FIF were \$52,245,000, \$7,665,000, \$39,625,000, \$72,815,000, \$29,570,000, \$49,910,000, and \$22,869,000, respectively. The unlimited improvement bonds are direct obligations of the District, payable from the levy and collection of a direct and continuing ad valorem tax, within the limits prescribed by law, on all taxable property located within the District in an amount sufficient to provide payment of principal and interest.

The Unlimited Tax Improvement Bond Series 2008, 2013, and 2019, respectively, have a call option for bonds maturing on or after September 1, 2024, and September 1, 2028 prior to stated maturity, in multiples of \$5,000, in whole or in part, on September 1, 2023, and September 1, 2027 or any date thereafter, at par plus accrued interest. The 2021 Unlimited Tax Improvement Bonds, Taxable Series 2021 has a stated maturity of September 1, 2051 with the bonds being redeemed at any date at the option of the District. The 2021 Unlimited Tax Improvement Bonds, Series 2021 and the Unlimited Tax

Improvement Bonds, Taxable Series 2021A have stated maturities on and after September 1, 2032, in multiples of \$5,000 on September 1, 2031 or any date thereafter, at par value thereof plus accrued interest to the date fixed for redemption.

1. Advance Refundings and Defeasances

The following refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the statement of net position.

On December 1, 2014, the District issued Unlimited Tax Refunding Bonds Series 2014 in the amount of \$7,810,000 to advance refund a portion of Unlimited Tax Improvement Bonds, Series 2007. Bond proceeds were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded bonds. The reacquisition price exceeded the net carrying amount of the old debt resulting in an economic gain of \$634,376, which will be amortized over the term of the bonds. Deferred charges on refunding at December 31, 2022 totaled \$243,991.

On February 17, 2016, the District issued Unlimited Tax Refunding Bonds Series 2016 in the amount of \$52,625,000 to advance refund \$11,210,000 Unlimited Tax Improvement Bonds, Series 2007 and \$46,555,000 of the Unlimited Tax Improvement Bonds Series 2008. Bond proceeds were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded bonds. The reacquisition price exceeded the net carrying amount of the old debt resulting in an economic gain of \$5,946,059, which will be amortized over the term of the bonds. Deferred charges on refunding at December 31, 2022 totaled \$522,731.

2. Prior Year Defeasance of Debt

In prior years, the District defeased unlimited tax improvement bonds by placing the proceeds of the new bonds in an irrevocable trust account to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the District's financial statements.

At December 31, 2022, the following defeased bonds remain outstanding:

Description	Refunded Bonds	Maturity
Unlimited Tax Improvement Bonds, Series 2007	\$ 11,210,000	2017-2023
Unlimited Tax Improvement Bonds, Series 2008	\$ 46,555,000	2019-2028
Unlimited Tax Improvement Bonds, Series 2013	\$ 6,368,680	2025-2028

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1

Bond Premiums	16,405,255		(2,471,033)	13,934,222	2,128,419
Total bonds	279,744,255	-	(24,864,033)	254,880,222	25,901,419
Other liabilities:					
Compensated absences	400,099	487,772	(487,839)	400,032	33,806
Total other liabilities	400,099	487,772	(487,839)	400,032	33,806
Governmental activities					
long-term liabilities	<u>\$ 280,144,354</u>	<u>\$ 487,772</u>	<u>\$ (25,351,872)</u>	<u>\$ 255,280,254</u>	<u>\$ 25,935,225</u>

Matured compensated absences are paid out each year when an employee resigns, retires, or is terminated with expendable available resources from the General Fund.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note H. Other Post-Employment Benefits (OPEB)

1. Plan Description and Benefits Provided

The District provides healthcare for its employees, retirees, and eligible dependents. Two plans are maintained: The Basic Preferred Provider Organization (PPO) and the Buy Up PPO Plan. Healthcare benefits include medical and prescription drug coverage. The plan is a single-employer, self-funded benefit plan administered by a third-party administrator and the District purchases stop loss insurance for claims that exceed a determined threshold. The District allows retired employees to participate in the Hidalgo County Health Benefits Program by purchasing health care benefits at the same group rate as provided to current active employees at the time they end their service to the District. Retirees are eligible to continue their medical insurance coverage.

The District does not have a formal post-employment benefits plan; however, the District allows retired employees to participate in the County's Health Benefits Program by purchasing health care benefits at the same group rate as provided to current active employees at the time they end their service to the District. Members may retire upon attaining one of the following: (1) age 60 and above with 10 or more years of service, (2) 20 years of service regardless of age, or (3) when the sum of their age and years of service equals 80 or more. Spouses and dependents are eligible to continue insurance under COBRA for 36 months after the retiree dies. If a dependent is not yet 26 years of age at the time of the members' death, the same rule applies. Once the dependent attains the age of 26, Aetna will terminate coverage automatically.

A cost sharing premium is a blended rate that takes into account the cost of medical benefits for active employees as well as retirees. Medical costs are generally higher for retirees than for active employees of the same age. A retiree who is paying 100% of the cost sharing premium is most likely not paying 100% of the true cost of the medical benefits. This situation is known as an "implicit rate subsidy". GASB Statement No. 75, *Accounting and Financial Reporting by Employer for Postemployment Benefits other than Pensions*, is applicable to the District due to the implicit rate subsidy. This "plan" is not a standalone plan and therefore, does not issue its own financial statements.

Membership in the plan as of the measurement date of December 31, 2022 was as follows:

Inactive employees or beneficiaries currently receiving benefits	-
Inactive employees entitled to but not yet receiving benefits	16
Active employees	183
	<u>199</u>

2. Funding Policy

The District collects insurance premiums from the participating retirees each month and deposits them in the County's Group Insurance Fund. The District then pays the health insurance premiums for the retirees at the blended rate to the County's self-funded Health Benefits Program. The required contribution to the program includes the employer's pay-as-you-go amount and the amount paid by retirees. The District has elected not to prefund the actuarially determined future cost but will accrue the liability as of December 31, 2022 to reflect proper treatment and will disclose the Health Care Benefits for Retired Employees in accordance with GASB No. 75.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note H. Other Post-Employment Benefits (OPEB) – Continued

2. Funding Policy – Continued

Monthly medical contributions required by the retiree for medical and prescriptions are as follows:

Basic PPO Plan		
	Under 65	65 & Over
Retiree only	\$ 632	\$ 320
Retiree + spouse	1,094	782
Retiree + child(ren)	764	452
Retiree + family	1,226	914
Surviving spouse	632	320
Surviving spouse + child(ren)	764	452
Surviving spouse + family	632	320

3. Actuarial Assumptions

The District's total OPEB liability of \$1,054,576 was measured as of December 31, 2022 and was determined by an actuarial valuation as of December 31, 2022.

Actuarial assumptions – The total OPEB liability in the December 31, 2022 actuarial valuation was determined using the following actuarial assumptions:

Salary increases:	2.00%
Inflation:	2.50%
Discount Rate:	3.72%
Prior Year Discount Rate:	2.06%

Mortality: The Mortality assumption was updated to utilize Scale MP-2021 applied to general, safety, and teacher members.

The discount rate was based on the Bond Buyer 20 Bond GO Index.

4. Changes in Total OPEB Liability

Balance as of December 31, 2021	\$ 1,319,990
Changes for the year:	
Service cost	124,093
Interest on total OPEB liability	29,658
Difference between actual and expected experience	(266,253)
Changes in assumptions or other inputs	(435,432)
Changes in proportionate share	268,945
Differences in actual benefits and prop. share of benefits	13,575
Net changes	(265,414)
Balance as of December 31, 2022	<u>\$ 1,054,576</u>

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note H. Other Post-Employment Benefits (OPEB) – Continued

5. Sensitivity Analysis

Sensitivity of the total OPEB liability to changes in the discount rate – The following presents the total OPEB liability of the District, calculated using the discount rate of 3.72%, as well as what the District's total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (2.72%) or one percentage point higher (4.72%) than the current rate:

	1% Decrease 2.72%	Current Discount Rate 3.72%	1% Increase 4.72%
Total OPEB liability	<u>\$ 1,244,093</u>	<u>\$ 1,054,576</u>	<u>\$ 814,131</u>

Sensitivity of the total OPEB liability to changes in the current healthcare cost trend rate – The following presents the total OPEB liability of the District, calculated using the current healthcare cost trend rates, as well as District's total OPEB liability would be if it were calculated using trend rates that are 1 percentage point lower or 1 percentage point higher than the current rates:

	1% Decrease	Current Trend Rate	1% Increase
Total OPEB liability	<u>\$ 792,544</u>	<u>\$ 1,054,576</u>	<u>\$ 1,277,923</u>

6. OPEB Expense/(Income) and Deferred Outflows/Inflows of Resources Related to OPEB

For the year ended December 31, 2022, the District recognized OPEB expense of \$66,884. At December 31, 2022 deferred outflows and inflows of resources related to OPEB were reported from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 230,449	\$ (241,600)
Changes of assumptions or other inputs	154,768	(994,184)
Changes in proportionate share	324,431	(283,104)
Differences in actual benefits vs. proportionate share	12,607	(60,263)
	<u>\$ 722,255</u>	<u>\$ (1,579,151)</u>

Amounts reported and deferred outflows of resources and deferred inflows of resources related to OPEB expense will be recognized in OPEB expense as follows:

Year ended December 31 ,	
2023	\$ (86,867)
2024	(86,867)
2025	(70,052)
2026	(70,052)
2027	(138,886)
Thereafter	(404,174)
	<u>\$ (856,898)</u>

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note I. Employee Retirement Benefits

1. Plan Description

The District provides retirement, disability, and death benefits for all of its full-time employees through a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System (TCDRS). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multiple-employer public employee retirement system consisting of 808 nontraditional defined benefit pension plans. TCDRS in the aggregate issues an annual comprehensive financial report (ACFR) on a calendar year basis. The ACFR is available upon written request from the TCDRS Board of Trustees at PO Box 2034, Austin, Texas 78768-2034.

The plan provisions are adopted by the governing body of the District within the options available in the Texas state statutes governing TCDRS (TCDRS Act). Members can retire at age 60 and above with 10 or more years of service, with 20 years of service regardless of age, or when the sum of their age and years of services equals 80 or more. Members are vested after 10 years of service but must leave their accumulated contributions in the plan to receive any employer financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by the employer.

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the governing body of the District within the actuarial constraints imposed by the TCDRS Act so that the resulting benefits can be expected to be adequately financed by the District's commitment to contribute. At retirement, death, or disability, the benefit is calculated by converting the sum of the employee's accumulated contributions and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by the TCDRS Act.

The employees covered by the plan at December 31, 2022 are as follows:

Inactive employees or beneficiaries currently receiving benefits	77
Inactive employees entitled to but not yet receiving benefits	71
Active employees	180
	<u>328</u>

2. Funding Policy

The District has elected the annually determined contribution rate (ADCR) plan provision of the TCDRS Act. The plan is funded by monthly contributions from both employee members and the employer based on the covered payroll of employee members. Under the TCDRS Act, the contribution rate of the District is actuarially determined annually. Contributions were made using the actuarially determined rate of 12.35% for calendar year 2022. The contribution rate payable by the employee member is 7.00% as adopted by the governing body of the District. The employee contribution rate and the employer contribution rate may be changed by the governing body of the District within the options available in the TCDRS Act.

3. Net Pension Asset

Governmental Accounting Standards Board issued GASB Statement No. 68 for public pension plans and participating employers which address specifics of reporting public pension plan obligations for employers. Net pension asset (NPA) for the District was measured as of December 31, 2021 and the total pension asset used to calculate the net pension asset was determined by an actuarial valuation as of that date.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note I. Employee Retirement Benefits – Continued

3. Net Pension Asset - Continued

The total pension asset in the December 31, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement; which can be found in the required supplemental data as a note to the respective employer contribution schedules.

Mortality assumptions are as follows:

Updated mortality assumptions were adopted in 2020.

Depositing members:

135% of Pub-2010 General Employees Amount-Weighted Mortality Table for males and 120% of the Pub-2010 General Employees Amount-Weighted Mortality Table for females, projected with 100% of the MP-2021 Ultimate Scale after 2010.

Service retirees, beneficiaries, and non-depositing members:

135% of the Pub-2010 General Employees Amount-Weighted Mortality Table for males and 120% of the Pub-2010 General Employees Amount-Weighted Mortality Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.

Disabled retirees:

160% of the Pub-2010 General Disabled Retirees Amount-Weighted Mortality Table for males and 120% of the Pub-2010 General Disabled Retirees Amount-Weighted Mortality Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.

The long-term expected rate of return on TCDRS assets is determined by adding expected inflation to expected long-term real returns and reflecting expected volatility and correlation. The capital market assumptions and information shown below are provided by TCDRS' investment consultant Cliffwater LLC. The numbers shown are based on January 2022 information for a 10-year time horizon.

Note that the valuation assumption for long-term expected return is re-assessed at a minimum of every four years and is set based on a long-term horizon; TCDRS Board of Trustees adopted the current assumption at their March 2021 meeting. The following table summarizes the real rate of return for the Drainage District.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note I. Employee Retirement Benefits – Continued

3. Net Pension Asset - Continued

The target asset allocation and geometric real rates of return are shown below:

Asset Class	Benchmark	Target	Geometrical
		Allocation ⁽¹⁾	Rate of Return ⁽²⁾
U.S. Equities	Dow Jones U.S. Total Stock Market Index	11.50%	3.80%
Global Equities	MSCI World (net) Index	2.50%	4.10%
Int'l Equities - Developed Markets	MSCI World Ex USA (net) Index	5.00%	3.80%
Int'l Equities - Emerging Markets	MSCI Emerging Markets (net) Index	6.00%	4.30%
Investment - Grade Bonds	Bloomberg Barclays U.S. Aggregate Bond Index	3.00%	-0.85%
Strategic Credit	FTSE High-Yield Cash-Pay Capped Index	9.00%	1.77%
Direct Lending	S&P/LSTA Leveraged Loan Index	16.00%	6.25%
Distressed Debt	Cambridge Associates Distressed Securities Index ⁽⁴⁾	4.00%	4.50%
REIT Equities	67% FTSE NAREIT Equity REITs Index + 33% S&P Global REIT (net) Index	2.00%	3.10%
Master Limited Partnerships (MLPs)	Alerian MLP Index	2.00%	3.85%
Private Real Estate Partnerships	Cambridge Associates Real Estate Index ⁽⁵⁾	6.00%	5.10%
Private Equity	Cambridge Associates Global Private Equity & Venture Capital Index	25.00%	6.80%
Hedge Funds	Hedge Fund Research, Inc. (HFRI) Fund of Funds Composite Index	6.00%	1.55%
Cash Equivalents	90-Day U.S. Treasury	2.00%	-1.05%

⁽¹⁾ Target asset allocation adopted at the March 2022 TCDRS Board meeting.

⁽²⁾ Geometric real rates of return equal the expected return minus the assumed inflation rate of 2.6%, per Cliffwater's 2022 capital market assumptions.

⁽³⁾ Includes vintage years 2005-present of Quarter Pooled Horizon IRRs.

⁽⁴⁾ Includes vintage years 2007-present of Quarter Pooled Horizon IRRs.

⁽⁵⁾ Includes vintage years 2006-present of Quarter Pooled Horizon IRRs.

The discount rate used to measure the total pension asset was 7.60% at December 31, 2021. The discount rate is the single rate of return that, when applied to all projected benefit payments results in an actuarial present value of projected benefit payments equal to the total of the following:

1. The actuarial present value of benefit payments projected to be made in future periods in which (a) the amount of the pension plan's fiduciary net position is projected to be greater than the benefit payments that are projected to be made in that period and (b) pension plan assets up to that point are expected to be invested using a strategy to achieve the long-term rate of return, calculated using the long-term expected rate of return on pension plan investments.

2. The actuarial present value of projected benefit payments not included in (1), calculated using the municipal bond rate.

Therefore, if plan investments in a given future year are greater than projected benefit payments in that year and are invested such that they are expected to earn the long-term rate of return, the discount rate applied to projected benefit payments in that year should be the long-term expected rate of return on plan investments. If future years exist where this is not the case, then an index rate reflecting the yield on a 20-year, tax-exempt municipal bond should be used to discount the projected benefit payments for those years.

The determination of a future date when plan investments are not sufficient to pay projected benefit payments is often referred to as a depletion date projection. A depletion date projection compares projections of the pension plan's fiduciary net position to projected benefit payments and aims to determine a future date, if one exists, when the fiduciary net position is projected to be less than projected benefit payments.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note I. Employee Retirement Benefits - Continued

3. Net Pension Asset – Continued

If an evaluation of the sufficiency of the projected fiduciary net position compared to projected benefit payments can be made with sufficient reliability without performing a depletion date projection, alternative methods to determine sufficiency may be applied. In order to determine the discount rate to be used by the employer we have used an alternative method to determine the sufficiency of the fiduciary net position in all future years. Our alternative method reflects the funding requirements under the employer's funding policy and the legal requirements under the TCDRS Act.

1. TCDRS has a funding policy where the Unfunded Actuarial Accrued Liability shall be amortized as a level percent of pay over 20-year closed layered periods.

2. Under the TCDRS Act, the employer is legally required to make the contribution specified in the funding policy.

3. The employer's assets are projected to exceed its accrued liabilities in 20 years or less. When this point is reached, the employer is still required to contribute at least the normal cost.

4. Any increased cost due to the adoption of COLA is required funded over a period of 15 years, if applicable.

Changes in Net Pension Liability/(Asset) were as follows:

	Total Pension Liability (a)	Fiduciary Net Position (b)	Net Pension Liability/(Asset) (a) - (b)
Balances as of December 31, 2021	\$ 22,075,625	\$ 20,793,284	\$ 1,282,341

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note I. Employee Retirement Benefits – Continued

3. Net Pension Asset - Continued

The \$1,061,485 reported as deferred outflows of resources related to pension resulted from contributions made subsequent to the measurement date and will be recognized as a deduction of the net position liability in the year ended December 31, 2022. Amounts currently reported as deferred outflows of resources and deferred inflows of resources related to pensions, excluding contributions made subsequent to the measurement date, will be recognized in pension expense as follows:

<u>Year ended December 31 ,</u>	
2022	\$ (460,363)
2023	(773,735)
2024	(454,721)
2025	(400,246)
2026	-
Thereafter	-
	<u><u>\$(2,089,065)</u></u>

Note J. Deferred Inflows/Outflows of Resources and Unearned Revenues

Governmental funds report deferred inflows of resources in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds report unearned revenue for resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of unearned and unavailable revenue reported in the governmental funds were as follows:

	<u>Deferred inflows</u>			
	<u>Unavailable Revenue- Property Taxes</u>	<u>Deferred Revenue- Property Taxes</u>	<u>Unearned Revenue</u>	<u>Total</u>
Property taxes (General Fund)	\$ 10,173,390	\$ 13,815,464	\$ -	\$ 23,988,854
Property taxes (Debt Service Funds)	13,815,464	19,983,336	-	33,798,800
Unearned (Interlocal & Grant)	-	-	494,698	494,698
	<u><u>\$ 23,988,854</u></u>	<u><u>\$ 33,798,800</u></u>	<u><u>\$ 494,698</u></u>	<u><u>\$ 58,282,352</u></u>

Note K. Risk Management

The District is exposed to various risks of loss relating to torts; theft of, damage to, and destruction of property; errors and omissions; injuries to employees; and natural disasters. The District covers such risks by participating in a public entity risk pool. The District has not experienced significant reduction insurance coverage in the last 5 of years.

The District participates in the Texas Municipal League Intergovernmental Risk Pool (the Pool) for coverage in the following areas: general liability, errors and omissions, auto physical damage, auto liability, real and personal property, and workers compensation. Limits on insurance coverage are as provided in Texas State Statutes Civil Practices and Remedies Code Chapter 101.023. The District paid premiums totaling \$544,541 in 2022.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
(A COMPONENT UNIT OF COUNTY OF HIDALGO, TEXAS)
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

Note K. Risk Management – Continued

Annual aggregate limits and deductibles are as follows at December 31, 2022:

	Deductible	Annual Aggregate Limits
General liability	\$ 5,000	\$ 10,000,000
Errors and omissions liability	\$ 25,000	\$ 4,000,000
Auto physical damage	\$ 10,000	N/A
Auto liability	\$ 1,000	N/A
Real and personal property	\$ 10,000	N/A
Workers compensation	N/A	Fully Funded

The District participates in the Hidalgo County Health Insurance Fund (Fund) and makes payments to the Fund based on the number of participants. The Fund provides coverage for up to a maximum of \$150,000 per individual per year. Claims in excess of \$150,000 and up to \$1,000,000 per individual per occurrence are covered by commercial insurance purchased by the Fund. The Fund's health insurance provider is Aetna. Payments to the fund totaled \$1,583,064 in 2022.

Note L. Litigation

The District is currently involved in potential claims and litigation involving civil and contractual matters. In the opinion of District management, the potential claims against the District not covered by insurance resulting from litigation will not materially affect the financial position of the District.

Note M. Subsequent Events

The District has evaluated all events and transactions that occurred after December 31, 2022 through August 21, 2023, the date these financial statements were available to be issued. On May 6, 2023 the constituents of the District approved the 2023 bond referendum in the amount of \$195,000. The District intends to sell bonds in the amount of \$60 million before the 4th quarter of 2023.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
SCHEDULE OF EMPLOYER CONTRIBUTIONS
LAST TEN YEARS

EXHIBIT B-3

Year Ending	Actuarially	Actual Employer	Contribution	Pensionable	Actual
2013	459,716	459,716	-	3,799,318	12.1%
2014	493,873	493,873	-	3,916,520	12.6%
2015	523,193	523,193	-	4,313,210	12.1%
2016	657,951	657,951	-	5,022,541	13.1%
2017	708,176	708,176	-	5,638,364	12.6%
2018	780,237	780,237	-	6,207,174	12.6%
2019	806,270	806,270	-	6,838,590	11.8%
2020	919,104	919,104	-	7,756,177	11.8%
2021	993,164	993,164	-	8,459,674	11.7%
2022	1,061,485	1,061,485	-	8,595,083	12.3%

(1) TCDRS calculates actuarially determined contributions on a calendar year basis. GASB Statement No. 68 indicates the employer should report employer contribution amounts on a fiscal year basis.

(2) Payroll is calculated based on contributions as reported to TCDRS.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
NOTES TO THE SCHEDULE OF EMPLOYER CONTRIBUTIONS
DECEMBER 31, 2022

EXHIBIT B-4

Valuation Date: Actuarially determined contribution rates are calculated as of December 31, two years prior to the end of the fiscal year in which the contributions are reported.

Methods and assumptions used to determine contributions:

Actuarial Cost Method	Entry Age (level percentage of pay)
Amortization Method	Level percentage of payroll, closed
Remaining Amortization Period	19.0 years (based on contribution rated calculated in 12/31/2021 valuation)
Assets Valuation Method	5-year smoothed market
Inflation	2.50%
Salary Increases	Varies by age and service. 4.7% average over career including inflation.
Investment Rate of Return	7.50%, net of investment expenses, including inflation
Retirement Age	Members who are eligible for service retirement are assumed to commence receiving benefit payments based on age. The average age at service retirement for recent retirees is 61.
Mortality	135% of the Pub-2010 General Retirees Table for males and 120% of the Pub-2010 General Retirees Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.
Changes in Assumptions and Methods Reflected in the Schedule of Employer Contributions*	2015: New inflation, mortality and other assumptions were reflected 2017: New mortality assumptions were reflected 2019: New inflation, mortality and other assumptions were reflected
Changes in Plan Provisions Reflected in the Schedule*	2015: No changes in plan provisions were reflected in the Schedule 2016: Employer contributions reflect that a 100% CPI COLA was adopted. 2017: New Annuity Purchase Rates were reflected for benefits earned after 2017 2018: No changes in plan provisions were reflected in the schedule. 2019: Employer contributions reflect that a 2% flat COLA was adopted 2020: No changes in plan provisions were reflected in the Schedule 2021: No changes in plan provisions were reflected in the Schedule

*Only changes that affect the benefit amount and that are effective 2015 and later are shown in the Notes to Schedule.

The above table includes information for the District according to the agent multiple-employer defined benefits pension plan administered by TCDRS.

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
Special Revenue Funds
December 31, 2022

DHS Levee Grant

This fund was created in May of 2008 to account for a Federal Financial Assistance Award (cooperative agreement DHS-CBP-08-0112-001-005) issued by the U.S. Department of Homeland Security and the U.S. Customs and Border Protection, titled Hidalgo County Border Infrastructure Program.

The District participated in the construction of the Border Wall and Levee Rehabilitation projects. Construction of the projects have been completed yet the closeout of the grant award has not occurred.

Raymondville Drain Restore Act Grant

This fund was established on October 13, 2020 to account for the Subgrant Reimbursement Contract No. 582-20-10601 with the Texas Commission on Environmental Quality (TCEQ) in the amount of \$7,000,000. The funds are for the restoration of over 60 miles of the Raymondville drain that will be restored using in house force labor and equipment.

Region 15 Planning Group Grant

This fund was established on April 15, 2021 to account for the Regional Flood Planning Contract No. 2101792500 with the Texas Water Development Board (TWDB) in the amount of \$1,270,000. The funds are for the financial assistance to develop a Regional Flood Plan for the Flood Planning Region. In 2022, a budget amendment in the amount of \$802,100 was approved.

TWDB FIF Willacy County Grant

This fund was created on April 5, 2022 to account for Hidalgo County Drainage District No. 1 (HCDD1) partnership with Willacy County and Willacy County Drainage District No. 1 (WCDD1). Willacy County received funds from Texas Water Development Board (TWDB) Flood Infrastructure (FIF) and together with HCDD1 will implement the Lateral G Project that will increase capacity in the Main Drain, which in turn will mitigate flooding in South Texas to provide community resiliency and economic growth. HCDD1 is responsible for implementation and construction of the project.

DEBT SERVICE FUNDS

Debt service funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. The essential purpose of a debt service fund is to account for accumulations of resources.

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
Debt Service Funds
December 31, 2022

MAJOR:

2016 Refunding Bonds Debt Service Fund

This fund accounts for the payment of principal and interest on refunding bonds issued in 2016 in the amount of \$52,625,000. The bonds were issued for the purpose of refunding a portion of the Unlimited Tax Improvement Bond Series 2007 and Series 2008. Also, in 2017, \$1,960,000 was refunded to maintain the tax rate.

2021A Taxable Bond Series Debt Service Fund

This fund accounts for the payment of principal and interest on the Unlimited Tax Improvement Bonds, Taxable Series 2021A in the amount of \$49,910,000 for the construction of and equipment for drainage improvement projects and the acquisitions of rights of way therefor, and to pay bond issuance costs.

NONMAJOR:

Debt Service Fund

This Fund accounts for the accumulation of resources for payment of principal and interest on the District's long-term notes.

2008 Bond Series

This fund accounts for the payment of principal and interest on Unlimited Tax Improvement Bond Series 2008 issued in 2008 in the amount of \$72,000,000 for the construction of drainage improvements, the acquisition of right of way, and to pay costs related to the issuance of bonds.

2013 Bond Series Debt Service Fund

This fund accounts for the payment of principal and interest on Unlimited Tax Improvement Bond Series 2013 issued in 2013 in the amount of \$77,130,000 for the construction of drainage improvements, the acquisition of right of way, and to pay costs related to the issuance of bonds.

2014 Refunding Bonds

This fund accounts for the payment of principal and interest on refunding bonds issued in 2014 in the amount of \$ 7,810,000. The bonds were issued for the purpose of refunding a portion of the Unlimited Tax Improvement Bond Series 2007 and Series 2008.

2018 Refunding Bonds

This fund accounts for the payment of principal and interest on refunding bonds issued in 2018 in the amount of \$6,095,000. The bonds were issued for the purpose of refunding a portion of the Unlimited Tax Improvement Bond Series 2013.

2019 Bond Series

This fund accounts for the payment of principal and interest on the Unlimited Tax Improvement Bonds, Series 2019 in the amount of \$73,845,000 for the construction of and equipment for drainage improvement projects in the District and the acquisitions of rights of way and bond issuance costs.

2021 Taxable Bond Series – FIF

This fund accounts for the payment of principal on the Unlimited Tax Improvement Bonds, Taxable Series 2021 in the amount of \$22,869,000 for the construction of projects 21 (Mile 10 N & Mile 1 W), 22 (Mile 11 N & FM 1015), and 23 (Mile 11 N & Texas Boulevard) as identified on the 2018 Bond Referendum.

2021 Bond Series

This fund accounts for the payment of principal and interest on the Unlimited Tax Improvement Bonds, Series 2021 in the amount of \$29,570,000 for the construction of and equipment for drainage improvement projects and the acquisitions of rights of way therefor, and to pay bond issuance costs.

CAPITAL PROJECTS FUNDS

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1
Capital Projects Funds
December 31, 2022

MAJOR:

2019 Bond Series Capital Project Fund

This fund accounts for the proceeds of the \$73,845,000 Unlimited Tax Improvement Bonds, Series 2019 to be used to pay for the construction of and equipment for drainage improvement projects in the District and the acquisitions of rights of way thereof, and to pay costs of issuance of the bonds.

2021 Bond Series Capital Project Fund

This fund accounts for the proceeds of the \$29,570,000 Unlimited Tax Improvement Bonds, Series 2021 to be used to pay for the construction of and equipment for drainage improvement projects in the District and the acquisitions of rights of way thereof, and to pay costs of issuance of the bonds.

2021A Taxable Bond Series Capital Project Fund

This fund accounts for the proceeds of the \$49,910,000 Unlimited Tax Improvement Bonds, Taxable Series 2021A to be used to pay for the construction of and equipment for drainage improvement projects in the District and the acquisitions of rights of way thereof, and to pay costs of issuance of the bonds.

NONMAJOR:

Capital Projects Fund

This fund accounts for the accumulation of resources for capital outlay. The capital projects are the District's new administration facility, Cesar Chavez Drainage improvements, right of way acquisition, and Raymondville Drain.

2008 Bond Series

This fund accounts for the proceeds of the \$72,000,000 unlimited tax improvement bond series 2008 to be used for drainage improvement projects, right of way acquisition, and bonds issuance costs.

2013 Bond Series

This fund accounts for the proceeds of the \$77,130,000 unlimited tax improvement bonds series 2013 to be used for drainage improvement projects, right of way acquisition, and bond issuance costs.

2021 Taxable Bond Series – FIF

This fund accounts for the proceeds of the \$22,869,000 Unlimited Tax Improvement Bonds, Taxable Series 2021-FIF that were subsequently put on private placement with the Texas Water Development Board with zero percent interest. Texas Water Development Board purchased the bonds and will receive zero interest from the District; however, the funds are placed in private placement and will be disbursed on a reimbursement basis. The funds will be used for the construction of projects 21 (Mile 10 N & Mile 1 W), 22 (Mile 11 N & FM 1015), and 23 (Mile 11 N & Texas Boulevard) as identified on the 2018 Bond Referendum.

STATISTICAL SECTION
(UNAUDITED)

HIDALGO COUNTY DRAINAGE DISTRICT NO. 1

Statistical Section

December 31, 2022

This section of the District's annual comprehensive financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the District's overall financial health. This information has not been audited by the independent auditor.

FINANCIAL TRENDS

These schedules contain trend information to help the reader understand how the District's financial performance changed over time.

REVENUE CAPACITY

These schedules contain information to help the reader assess the District's most significant local revenue source, the property tax.

DEBT CAPACITY

These schedules present information to help the reader assess the affordability of the District's current levels of outstanding debt and the District's ability to issue additional debt in the future.

DEMOGRAPHIC AND ECONOMIC INFORMATION

These schedules offer demographic and economic indicators to help the reader understand the environment within which the District's financial activities take place.

OPERATING INFORMATION

These schedules contain service and infrastructure data to help the reader understand how the information in the District's financial report relates to the service the District provides and the activities it performs.

OTHER INFORMATION

These schedules contain information that although is not required, but is presented to help the reader obtain additional insights into the District's activities and finances.

FEDERAL AWARDS SECTION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Hidalgo County Drainage District No. 1
Edinburg, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Hidalgo County Drainage District no. 1 (the District), as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated August 21, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

District's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the District's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The District's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Hidalgo County Drainage District No. 1
Edinburg, Texas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Hidalgo County Drainage District No. 1's (the District) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended December 31, 2022. The District's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the District's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

Government Auditing Standards requires the auditor to perform limited procedures on the District's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The District's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Hidalgo County Drainage District No. 1
Notes to the Schedule of Expenditures Of Federal Awards
For the Year Ended December 31, 2022**

General

The accompanying Schedule of Expenditures of Federal Awards (SEFA) present the federal grant activity for the Hidalgo County Drainage District No. 1 (the District) for the year ended December 31, 2022. The reporting entity is defined in Note A, 1 to the District's basic financial statements. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the SEFA presents only a selected portion of the operations of the District, it is not intended and does not present the financial position, changes in net position, or cash flows of the District.

Basis of Presentation

The accompanying SEFA is presented using the modified accrual basis of accounting, which is described in Note A, 3 of the District's notes to the financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The District has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Relationship to Federal Financial Reports

Amounts reported in the accompanying schedule may not agree with the amounts reported in the related Federal financial reports filed with the grantor agencies because of accruals made in the schedule which will be included in future reports filed with agencies.

**Hidalgo County Drainage District No. 1
Schedule of Findings and Questioned Costs - Continued
For the Year Ended December 31, 2022**

Section II – Financial Statement Findings

Finding No: 2022-001

Internal Control: Payroll Test of Internal Controls

Criteria and Condition:

The District's Payroll policy requires timesheets to be approved by a supervisor before they are reviewed and approved by Human Resources. We selected a sample of 40 payroll transactions and noted 10 instances where timesheets were not approved by a supervisor and were only approved by a Human Resources Specialist.

Cause and Effect:

The District recently implemented an online timekeeping system for all employees. Historically, approvals were done on paper. However, with the new change, supervisors have inconsistently applied this policy under the new online timekeeping system. Supervisors have direct knowledge of employee schedules and work performed. The lack of supervisor approvals may result in errors in time reported for payroll.

Recommendation:

We recommend the District's Payroll policy be followed and ensure all employee timesheets are approved by Supervisors.
