Re: Raymondville Drain Project from near Edinburg Lake to the Laguna Madre  
Hidalgo and Willacy County, Texas

Dear Mr. Iglesias:

Based on information provided to the Texas Coastal Management Program on the above project, it has been determined that it will likely not have adverse impacts on coastal natural resource areas (CNRAs) in the coastal zone. However, siting and construction should avoid and minimize impacts to CNRAs. If a U. S. Army Corps of Engineers permit is required, it will be subject to consistency review under the Texas Coastal Management Program.

If you have any questions or concerns, please contact me at (512) 475-1552 or at [andrea.finch@glo.texas.gov](mailto:andrea.finch@glo.texas.gov)

Sincerely,

Andrea Finch  
Consistency Review Coordinator
